## Good Homes and Neighbourhoods

Organisation	Website	Organisation Description	Project Description	£	Months	Borough
Cambridge House and Talbot	<a href="http://ch1889.org">http://ch1889.org</a>	Cambridge House is a frontline service provider and community hub, which operates from Southwark to effect change across London. It serves as a home for voluntary organisations and a locus for community action, as well as delivering specialist services which help people in crisis towards stability and independence.	The funding is for the development of Safer Renting, a specialist programme improving conditions in London's 'slum rental' market. It will support the second stage of research into the shadow Private Rental Sector (PRS), establishing how effective local authority licensing schemes are in tackling private landlords' criminal behaviour.	£105,000	24	London-wide
Caritas Anchor House	<a href="http://www.caritasanchorhouse.org.uk">www.caritasanchorhouse.org.uk</a>	Caritas Anchor House is a residential and life skills centre for adult single people experiencing homelessness in Newham. It provides education, guidance and personal rehabilitation through activities which address health and wellbeing, recreational and therapeutic activities, maintaining relationships, financial management, education, volunteering, training, back-to-work preparation and support to achieve independent living.	The funding is to enable its Employment Engagement Specialist to promote User Voice, in partnership with Citizens UK, to influence provision of affordable accommodation; representation of people with lived experience of homelessness within council structures; and reconfiguration of community organising consultation mechanisms within Caritas Anchor House in Newham.	£25,000	24	Newham
Empty Homes Agency	<a href="http://www.actiononemptyhomes.org">www.actiononemptyhomes.org</a>	Action on Empty Homes (AEH) raises awareness of the waste of long-term empty homes and campaigns to change Government policy. It aims to secure national investment to support local communities in transforming their neighbourhoods, through refurbishing long-term empty properties for those in need of genuinely affordable homes.	The funding is for a project to catalyse a community-led coalition to campaign about London's over 100,000 empty and under-utilised homes, and to establish a robust data and evidence base so that London's housing strategy is more focused on meeting the needs of low-income Londoners in housing need.	£52,000	24	London-wide
Housing Justice	<a href="http://www.housingjustice.org.uk">http://www.housingjustice.org.uk</a>	Housing Justice brings together the resources and social capital of churches, Christian communities and other faith groups to address homelessness and housing need through winter night shelters, migrant hosting, mentoring and befriending and developing affordable housing.	The funding is for a contribution towards salary costs of a project coordinator and user engagement costs for a hosting project, providing short-term accommodation to 150 migrants without recourse to public funds. Guests in the project will receive accommodation, immigration advice and move on support.	£90,000	36	London-wide

Latin American Womens Aid Refuge	<a href="http://lawadv.org.uk/en/">http://lawadv.org.uk/en/</a>	Latin American Women's Aid (LAWA) is a specialist women's organisation that has supported Latin American and other BME women and children who are experiencing or fleeing gender-based violence for 32 years, as well as providing the only refuge for the Latin American community in the UK and Europe.	The funding is for the further development of the Women Against Homelessness and Abuse (WAHA) project: to expand advocacy and campaigning at local and national levels, based on robust data and evidence gathered through specialist legal advice provided to BME women survivors of VAWG facing challenges to access safe housing.	£126,000	36	London-wide
Law for Life: the Foundation for Public Legal Education	<a href="http://www.lawforlife.org.uk">http://www.lawforlife.org.uk</a> <a href="http://www.advicenow.org.uk">www.advicenow.org.uk</a>	Law for Life works to ensure that everyone has the knowledge, confidence, and practical skills they need to secure access to justice. It does this through community-based education and training, research and policy, and through the Advicenow website which provides easy-to-use information on rights and the law for the public.	The funding is for the continuation of an online and offline programme to support private renters to understand housing/homelessness law in the changing contexts of COVID-19 and Brexit, identify ways to achieve change through legal and nonlegal mechanisms, and ultimately support vulnerable groups secure and maintain decent housing.	£75,000	24	London-wide
Lewisham Citizens Advice Bureaux Service Limited	<a href="https://citizensadvicelewisham.org.uk/">https://citizensadvicelewisham.org.uk/</a>	Lewisham Citizens Advice Bureaux (CAL) is an independent charity, affiliated to Citizens Advice. CAL provides information and advice to everyone who lives, works or studies in Lewisham. Clients are empowered to help themselves or assisted directly. CAL analyses issues and influences decision-makers in order to improve the policies and practices that impact on local people.	The funding is for continued support to establish the Lewisham Law Service, now registered as the new Lewisham Law Centre (LLC) and to build, in partnership with Southwark Law Centre (SLC), a housing casework team including a paralegal, bringing Legal Aid to the borough.	£85,000	24	Lewisham
Runnymede Trust	<a href="http://www.runnymedetrust.org">www.runnymedetrust.org</a>	Runnymede is the UK's leading race equality think tank. It informs policy and public debate on race, using research and evidence. Its influence reaches from Parliament to grass roots organisations and it regularly works with others to address racial inequalities in Britain.	The funding is for a one-year research project to use data to improve understanding of housing, race and class in London. The research would be mainly quantitative in nature, but would also involve conceptual work on 'gentrification' and discourse analysis on how race, class and housing is discussed.	£49,000	12	London-wide
Social Finance	<a href="http://www.socialfinance.org.uk">www.socialfinance.org.uk</a>	Social Finance is a not for profit organisation that partners with the government, the social sector and the financial community to find better ways of tackling social problems, particularly for the most vulnerable individuals and communities.	The funding is to explore the feasibility of a fund employing large-scale funding to provide housing for key workers in London at genuinely affordable rents, with the immediate goal of improved key workers' wellbeing and subsidiary goals of easier recruitment and retention at employers and better resilience of public services.	£10,000	6	London-wide

Town And Country Planning Association	<a href="http://www.tcpa.org.uk">www.tcpa.org.uk</a>	The TCPA campaigns for the reform of the UK's planning systems to make them more responsive to people's needs and to support the delivery of new and renewed sustainable communities. They do this by influencing at both the local and national levels.	The funding is for a project that will support people and communities, particularly those in disadvantaged parts of the city and from under-represented groups, to better engage with the planning system in order to positively influence change in the neighbourhood they live and/or work in.	£247,000	36	London-wide
West London Equality Centre	<a href="http://www.wlec.net">www.wlec.net</a>	West London Equalities Centre (WLEC) provides AQS-accredited legal casework, advocacy, advice and support services to persons experiencing poverty, social and/or economic disadvantage - including BAME, refugee and vulnerable people (e.g. who have experienced trafficking or hate crimes). Over 220 drop-in and appointment clinics are run annually at various locations.	The funding is for a housing advisor who will provide help and support, legal advice and housing casework for people living in private rented accommodation and experiencing housing issues. These make up 80% of the clients WLEC helps with housing advice through drop-in, appointment surgeries and food bank sessions.	£86,500	24	Ealing
